

GEOGRAPHY
HIGHER LEVEL AND STANDARD LEVEL
PAPER 2 – RESOURCES BOOKLET

Wednesday 9 May 2007 (morning)

INSTRUCTIONS TO CANDIDATES

- Do not open this resources booklet until instructed to do so.
- Use the resources as appropriate to the questions in paper 2.

C11. Topographic mapping

The map extract below and the oblique aerial photograph opposite show part of the city of Sydney, the largest city in Australia with a population of four million.

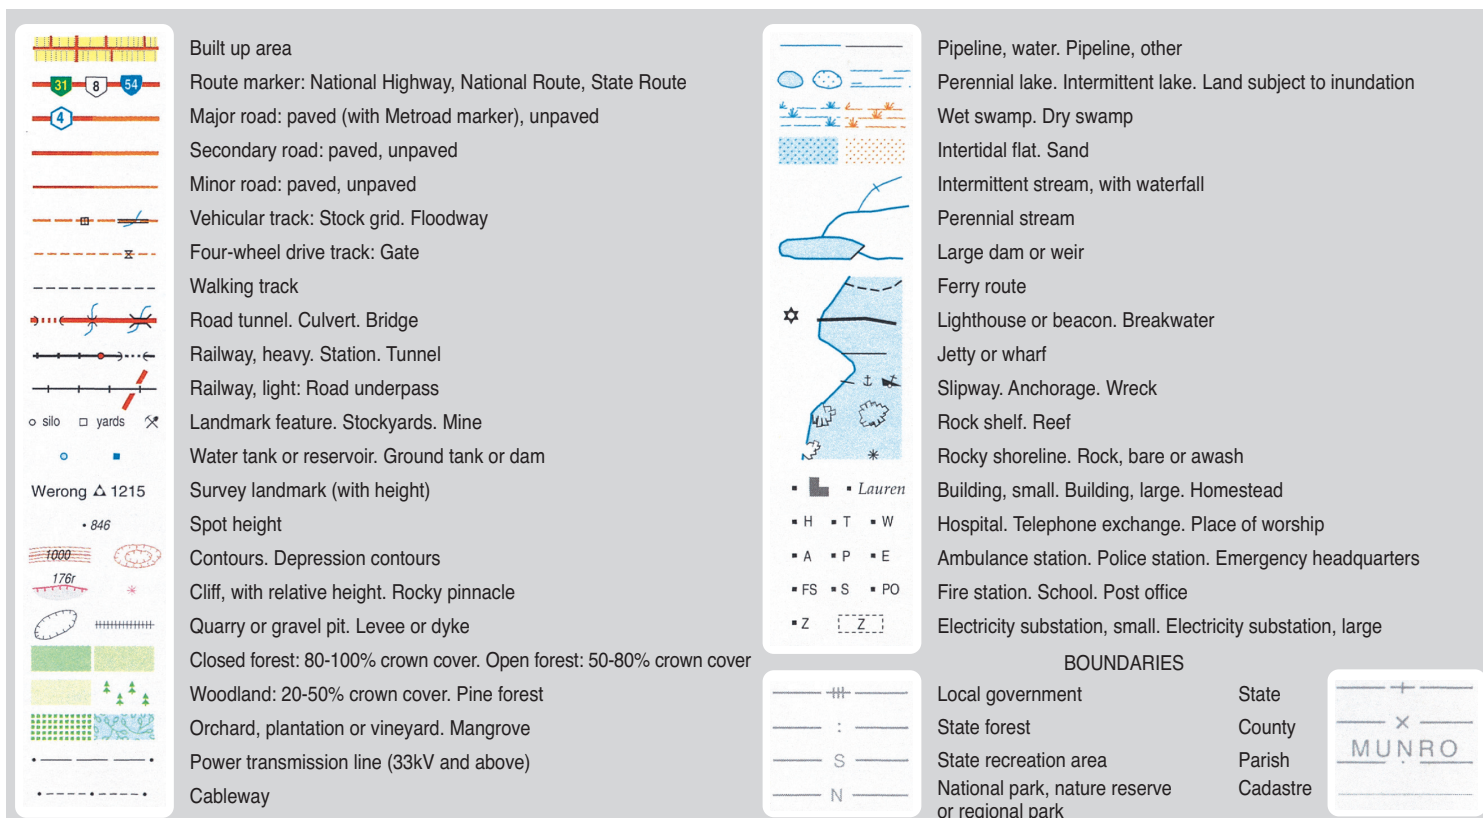

Sydney is the main financial, transport, trade and cultural centre of Australia. It is located on the Parramatta River, which provides the largest natural harbour in the world.

The copyright holders have insisted that the electronic publication of this map for sales purposes is restricted to 100 dpi.
